Coachmen

The Owen bus drivers are selected through a statewide written test, a supervised road test, and finally, the approval of the Owen principal. Personal character is also taken into consideration.

The dependability of the bus drivers aids the school in functioning properly. These boys deserve the appreciation of and recognition by the entire student body.

Dedication

The BLACK SWAN of 1962-63 is gratefully dedicated to our principal, Fred H. Martin, a man who has labored unceasingly for the scholastic growth of Owen High School. In four years, through his intelligence and firmness of purpose, he has made our school outstanding scholastically, athletically, and idealistically. His dedication to Owen High School and his personal interest in his students is attested by his willingness to exert all his efforts in the aid of a student. His sense of humor and dynamic personality have endeared him to all. We, the Senior Class, will always admire and remember Fred H. Martin as "the man who brought us up."

From the moment the Annual Staff was chosen, the confusion began. Each member has specific duties which had to be finished by a certain deadline, and each member had numerous troubles, such as, last-minute changes, touch-up, and mistakes in copy and carbon. But at last the annual was finished. Then came the worst time of all--the waiting for the finished product.

Girls Varsity Basketball

Barbara Cooper
Manager

The Owen Warlassies under their new coach, Mrs. Doris Hester, romped to a "perfect record" streak at the first of the season. Later, however, a few losses came on the scene. Nevertheless, the girls were not hindered by these losses and ended the season in the number three position in the county.

The play is done; the curtain drops,
 Slow falling to the prompter's bell:
 A moment yet the actor stops,
 And looks around, to say farewell.
 It is an irksome word and task;
 And when he's laughed and said his say,
 He shows, as he removes the mask,
 A face that's anything but gay.
